Comment on FR Doc # 2015-14921

Submitter Information

Name: Randy Anonymous

General Comment

I wish to maintain the freedom to manage my own investments without restrictive interference from some government agency. The government intervention into yet another aspect of personal choice is extremely disturbing and threatens our liberties once more. Leave our retirement planning alone since you have proven with social security, Fanni Mae, Freddie Mac, postal service that you clearly do not know what you are doing. I can manage my affairs much better than you!
